

# In the Court of Appeals of the State of Alaska

**Jacklyn Gosuk,**

Appellant,

v.

**State of Alaska,**

Appellee.

Court of Appeals No. **A-12749**

## **Order**

Date of Order: **7/14/2021**

Trial Court Case No. **3DI-15-00359CR**

**Before:** Allard, Chief Judge, and Wollenberg and Harbison, Judges

We previously remanded this case for reconsideration of Jacklyn Gosuk's motion to suppress. *See Gosuk v. State*, Slip Op. No. 2696, 484 P.3d 130 (Alaska App. 2021). Following the remand proceedings, the superior court entered an order that recommended that the motion to suppress be granted and all evidence seized at the airport suppressed. The superior court apparently did not enter a final order in reliance on the fact that this Court retained jurisdiction over the appeal.

At this point, we intend to treat the superior court's order as a final order for purposes of appeal. If the State does not wish to appeal, we will remand this case to the superior court for entry of final judgment.

Accordingly, **IT IS ORDERED:**

On or before **7/28/2021**, either party may lodge an objection to this Court's proposed course of action. If the State intends to appeal, it shall lodge a notice of intent to appeal on or before that date.
